LOGAN, CACHE COUNTY, UTAH TUESDAY MAY 9 1916

FOURTEENTH YEAR

FISH AND GAME COMMITTEE IS AN ACTIVE ONE

Have Procured Quail Which Will Be Liberated in North Logan. May Get Catfish

If anyone thinks the fish and game committee of the Commercial Boosters Club is not an active one they have another guess coming. A conversation with Chairman John Christiansen about the numerous things which this committee proposes doing will convince anyone that these boys are not asleep. Only yesterday twelve pairs of genuine California quail were on exhibition in the window of the Logan Arms, and in the evening they were taken to the foothills at North Logan and liberated.

The California quail are said to be a very hardy bird and will thrive well in this altitude and climate if the proper protection is thrown about them. Near Farmington these birds are multiplying very fast and with the scattering of a few pairs over the different parts of Utah, the game fanciers hope to stock the entire state.

Another matter which the Fish and Game committee has in mind is to plant some channel catfish in Logan river south and west of the park. Catfish are said to be a fish that will kill carp, something that is very much desired in our streams. They will also fight trout, but cannot survive in swift cold water, so it would seem that the catfish are very much to be desired in the still waters of the Logan river.

The state is supplying these fish and quail and will cooperate with the local committee in assisting in replenishing our streams with fish and our hills with wild game.

CLUB MEETING WED. EVENING

Important Matters to Be Discussed. Two Good Speakers Will Be Present

Owing to Dollar Day, May 17, the regular monthly meeting of the Commercial Boosters Club will be held Wednesday, May 10, at 8 p.m. Captain Wallace of the National Guard will be present for the purpose of presenting the matter of organizing a company etc., in Logan.

Mr. J. C. Herbman of the Ellison-White Chautauqua System, will also be present to give a talk relative to a Chautauqua organization and its work. Mr. Herbman has been head of the Department of Public Speaking of the University of Washington and is a most excellent speaker.

With two such very important matters before the club, it is desired that every club member attend and bring his friends. The public is invited.

NOTICE

Notice is hereby given to the users of water from the Logan City waterworks system, for the purpose of watering lawns, that everybody east of Main street use the water from 12 o'clock noon until 12 o'clock midnight and those west of Main street use the water from 12 o'clock midnight until 12 o'clock noon.

Any person found violating this rule will have the water disconnected.

JOHN QUAYLE, Commissioner of Waterworks Dept. Adv. 5-13

NOTICE

Notice is hereby given that a meeting will be held at the Phi Kappa Iota Fraternity House, 169 East Center street, on the 22nd day of May, 1916, to determine and dispose of the question as to whether or not the aforesaid fraternity is to become incorporated.

Dated this 25th day of April, A. D., 1916.

Phi Kappa Iota Fraternity, Per A. L. Wilson.

MRS. BULLEN SUCCEUMBS TO LAGRIFFE

Wife of the Late Herschel Bullen Passes Away. Will Be Buried At Richmond, Thursday

Mary Josephine Bullen, wife of the late Herschel Bullen of Richmond, died at her residence in this city on Sunday evening at 8:25 p. m. after a short illness. For sometime she had not been feeling well, and about ten days ago contracted a severe case of lagrippe, followed by stomach and intestinal complications. For several days the pain and suffering was almost unbearable. All that science and willing hands could do was done to relieve her suffering and restore her to health, but from the beginning she seemed to be resigned to her apparent fate and failed to respond with any degree of satisfaction to anything that was done for her. She seemed ready and willing to go and when death claimed her, passed away without a murmur or struggle.

Mary J. Bullen was the daughter of J. C. and Mary Ann Whittle of Richmond, Utah, and was born at Fort Herriman, Utah, July 19, 1857, and would have been 59 in July. On December 20, 1876, she was married to the late Herschel Bullen, of Richmond, by the late William B. Preston, of Logan. She is the mother of seven children, Roy Bullen, city engineer of Logan; Mrs. Pearl Harrison, of Logan; Cyrus Bullen, farmer of Richmond; Emma Bullen, deceased; Asa Bullen, lawyer; and Bryant Bullen of the Motor Sales Corporation, of Logan; and Mrs. Edith Robinson, of Long Beach, California. In addition she was a good and true mother to Herschel Bullen Jr., and Mrs. Nellie Langton, who were small children at the time of her marriage.

She was a woman of high ideals, strong characteristics, and so divinely conscientious, unselfish, and determined, that whatever she decided upon, or set forth to do, was always carried forward to successful solution. In speaking of her sudden death yesterday, Herschel Bullen Jr., said: "She was always the same good, unselfish mother to all of us, and her death is one of the greatest blows that could come to us. No better, truer, nobler woman ever graced the earth. This planet may produce her equal, but never her superior, for that is not within the rank of the possible."

A short funeral service will be held at the residence on First West street in this city, Thursday morning at 10 o'clock, after which the remains will be taken to the home of Cyrus Bullen of Richmond, where the friends of her youth and womanhood and associates of a life time, may view them. At 2 o'clock in the Richmond Tabernacle the funeral services will be held, after which the remains will be interred in the Richmond cemetery beside those of her late husband.

STEPS BEING TAKEN TO BRING ABOUT PEACE

Baltimore, May 7.—When asked today about the steps being taken to bring about peace among the warring nations, Cardinal Gibbons said that there is something in the air. It would be presumption on his part, however, he added, to attempt to state what those who are trying to find a medium for peace are doing.

The cardinal said he had an inkling of what the note handed to President Wilson by Archbishop Bonzano on Saturday contained, but would not state what were his conclusions.

Until the contents of the note handed to the President by the apostolic delegation are made known, the cardinal said it would not be well to conclude that steps to bring about peace already were under way.

A committee of state druggists were in Logan on Sunday conferring with local druggists on plans for the state convention which is to be held here next month. They were delighted with the selection of the U. A. C. for the place for meetings. The following persons were here: J. R. Franklin, Charles Van Dyke, Joy H. Johnson, W. H. Dayton, of Salt Lake; A. R. McIntyre, Ogden; Wm. L. Eddy, Brigham City.

THIS WEEK'S LOCALS AT LEWISTON

Lewiston, May 8.—The little four year old daughter of Mr. Alma Smith fell upon a sharp rock, while playing in the yard, and broke her arm. Dr. Parkinson was summoned, and pronounced it a very bad break.

M. J. Swinyard has purchased an Oakland touring car also an auto delivery truck for the use of the Lewiston Mercantile Co.

Mrs. Carrie Coley and Mrs. Rosella Coley were visiting in Preston Wednesday.

Mr. John Telford has purchased a seven passenger touring car.

Mrs. James Allen came in from Metropolis, Nevada to the Utah-Idaho hospital where she submitted to an operation for appendicitis. When she sufficiently recovers she will be compelled to undergo another operation for gallstones.

Mr. Joseph Hyer has purchased an Oakland touring car.

Mr. and Mrs. Joseph Wood returned from Burley, Idaho, Tuesday. They have been away for about two weeks and while at Burley, Mr. Wood purchased a farm, also a fine modern home in Burley where they will move to within a few weeks.

Mr. and Mrs. John M. Anderson spent Thursday in Preston ordering goods and doing other business for the Citizens Trading Co.

The Les Bonne Amie Club met at the home of Mrs. Gertrude Rawlins. A sketch of the life of Shakespeare was given by Mrs. Gale Lewis. An extract from Julius Caesar by Mrs. Nell Bernhisel. A musical selection was rendered by Mrs. Gertrude Rawlins. Comments on Shakespeare's plays showing peace and prosperity spring from preparedness, defeat and disaster from lack of it, by Mrs. M. O. Bell. Club members present were Mrs. Rue Bernhisel, Mrs. M. O. Bell, Mrs. Effie Villett, Mrs. Millie Van Orden, Mrs. Hazel Karren, Mrs. Gale Lewis, Mrs. Eva Parkinson, Mrs. Nell Bernhisel, Mrs. Carrie Coley, Mrs. Myrtle Pond, Mrs. Edna Gustavson, Mrs. Ida Rogers and Mrs. Maud Stocks. Delicious refreshments were served.

Mr. Eljah Godfrey and family moved to Teton, Idaho, Thursday, where Mr. Godfrey has purchased a farm and intends making Teton his home.

Mr. and Mrs. M. J. Swinyard motored to Logan, Wednesday.

The Bee Hive work of the M. I. A. started Thursday in Lewiston First ward with a very large number of workers, which betokens a very successful season.

Many of the citizens of Lewiston are complaining about the motorcycles that go racing through the main part of town, and deem it dangerous for little children crossing the street to the picture show. It would greatly lessen the danger if those who have such matters in charge would give this a little attention.

Mrs. Zelma Wiser gave a bundle shower at her home in honor of Miss Mercedes Kent who is shortly to be married to Mr. Leslie Buxton. Many beautiful presents were received and all spent a very pleasant afternoon.

Mr. Nephi and Philomen Rogers have bought forty acres of land from Mr. Amasa Hodge in the Second ward.

David Brothers have bought the pool equipment from Mr. Alfred Stowell and will move them to the pool room on North Main street.

Mr. William Bowden has been appointed by the town board as street sprinkler. Bill has been busy on the job for a week.

Mrs. Louisa Mower who is receiving treatment at the Utah-Idaho hospital is rapidly improving.

Mrs. Lapriel Hyer has been visiting with her people at American Fork for a couple of weeks. She returned home Tuesday.

The Lewiston public schools are preparing for commencement exercises, which will be given Thursday evening. Program and the list of graduates will be printed later.

NOTICE

The Southwest Field Irrigation Co. will clean ditch Thursday, May 11, 1916. Those desiring to work out their assessment may do so.

T. B. BUSBY, President. Adv. 5-9

CARRIES DOCTOR TO SAVE AN OFFICER'S LIFE

Dodge Brothers Motor Car Makes Great Trip Across the Mexican Desert to American Front

Word comes from Mexico of a thrilling trip from Columbus, N. M., to Casas Grandes made by Dr. W. L. Brown, to El Paso, who was called to attend Lieut. Col. Tyree Rivers who was ill with pneumonia at the American front.

Dr. Brown was conveyed across the Mexican desert in one of the regular Dodge Brothers cars in use in the army and the remarkable time of six and one half hours was made by the army car.

As reported in an El Paso paper, Dr. Brown said that the roads were in horrible shape, due both to their natural condition and to the constant travel of the heavy motor trucks used in conveying supplies to the American troops.

PROVO TEAM WON SATURDAY TRACK MEET

The Aggie athletes were pretty badly trounced on Saturday when they met the B. Y. University in a dual track and field meet on the A. C. campus. The score was 87 to 33. Following is the summary:

120 Yard Hurdles—Larson Y, won; Mortenson Y, second. Time 17 2-5.

100 Yard Dash—Gurr Y, won; Voornhies, Aggies, second; Cooper Y, third. Time 10 1-5.

1 Mile Run—Hales Y, won; Fordham, Aggies, second; White, Aggies third. Time 4:55 2-3.

440 Yard Run—Eyre Y, won; Stahl Y, second; Luke Y, third. Time 5:35.

220 Yard Dash—Voornhies, Aggies won; Gurr Y, second; Cooper Y, third. Time 23.

220 Yard Low Hurdles—Simmons Y, won; Coffman, Aggies, second. Time 26 4-5.

Half Mile—Anderson Aggies, won; Stahl Y, second; Hales Y, third. Time 2:04 1-5.

Shotput—Twitchell Aggies, won; Mortensen Y, second; Blazard Y, third. Distance, 37 feet and 9 inches.

Pole Vault—Madsen, Aggies, won; Cox Y, second; Larson Y, third. Height 10 feet.

High Jump—Larson Y, won; McDonald Y, second; Beecraft, Aggies, third. Height, 5 feet and 9 1-4 inches.

Discus Throw—Blazard Y, won; Clegg Y, second; Mortenson Y, third. Distance, 109 feet and 2 inches.

Hammer Throw—Blazard Y, won; Clegg Y, second; Wilson, Aggies, third. Distance, 129 feet and 7 inches.

Broad Jump—Luke Y, won; Simmons Y, second; Beecraft, Aggies, third. Distance 21 feet and 9 1-2 inches.

880 Yard Relay—Won by B. Y. U. Officials—Referee and starter Dr. C. G. Plummer; Judges, J. R. Jensen, Dr. R. J. Evans, J. T. Caine, L. H. Peterson, H. Fletcher, E. T. Lewis.

ADVERTISED LETTERS

Logan, May 6, 1916
The following letters are at the post office, and if not called for within two weeks will be sent to the Dead Letter Office, Washington D. C.:

Arseth, Mrs. R. K.
Bigbee, Mr. Sam.
Burton, Laura T. (3).
Curtis, Mr. Heber.
McKay, Mrs. Chas. Cline.
Nelson, Mr. Gerald.
Sloan, Miss Jane.
Sorensen, Miss Sylvia.
J. M. BLAIR, Postmaster.

The highway through Wellsville canyon is being put in good condition by the State Highway Commission under the supervision of Prof. William Peterson of the Agricultural College.

DRAINAGE WORK TO BEGIN IN COLLEGE WARD

Within a few days work will begin on the drainage of about 3000 acres of land in the North College ward district where the Logan Land & Drainage Company has been out lining a district. Several car loads of tile are now on the ground and men are engaged in distributing them along the lines of drainage. Trenching machines are expected today, shipped from Dodge City, Iowa, and Crawfordville, Indiana.

Mr. J. B. Casey of Crawfordville, Indiana, who received the contract to do this work for the Logan Land & Drainage Company, left his home with a crew of men yesterday and will arrive here Wednesday or Thursday to begin operations. The men who are being brought here are expert machine operators but several local men will be employed and a number of teams put to work. The drainage will very likely be completed by December 1, unless unforeseen obstacles interfere.

"While Logan river is extremely high," said Manager A. F. Cardon of the Logan Land & Drainage Co., "it will not interfere with drainage work as we had it planned. Our first unit to be drained is south of the old Mendon cut off and is entirely free of any danger whatever of flood waters. In fact there is only a small part of our land, and that is right down at the extreme low part, that is inundated by the high water. We expect that the river will be dyked and some of the extreme oxbow bends will be eliminated by straightening out the river, and these changes will prevent any further flooding of the land. As high as the water is at the present time, its flooding of the land could have easily been avoided by closing some of the breaks in the banks, but no effort was made to do this work by us because we wanted to see just where and what to do to prevent repetitions of flooding in the future.

County road graders are at work on the roads west to Mendon rounding up the road and putting it in a first class shape. This work will be extended in all likelihood by the city over the very bad piece of road west of town and in the city limits. The Logan Land & Drainage Co. has volunteered to stand some of the expense of this grading in order to get a first class road. The people along the road have also petitioned the commissioners to do something to relieve them of the bad roads common to that country in muddy weather. This work on the part of the city and county will make a piece of roadway that will be used very extensively beyond a doubt by those wishing to take a ride into the country and also those wanting to see the drainage work.

NOTICE

ALFRED G. PICOT

Notice is hereby given that the real estate, loan and insurance business heretofore conducted by the late Alfred Picot for more than twenty-five years will be continued by Alfred G. Picot.

Mr. Alfred G. Picot, the successor has been in the office for the past three years, and thoroughly understands the business as conducted by his father, and he invites the continuation of the patronage enjoyed by his father during the period of time aforesaid.

CLEAN-UP DAY OBSERVED AT RICHMOND

Preparing to Sprinkle Streets, Richmond Young Folks Dance in Lewiston

Richmond, May 8.—Clean up day was better this year than it has been for some time. There were more people out, more enthusiasm shown. The committee and the various clubs wish to extend thanks to all those who were interested and for the enthusiasm manifested on this day, May 5. It has been suggested that we have a clean up day in the spring and one also in the fall. It is hoped that this suggestion may be carried out and that we will have a clean city throughout the year.

It is quite a pleasure to see Booster Bert Danford back in town doing more of his excellent work. He has now on tap the question of sprinkling the streets. The people generally are very much enthused over this question. He reports from the enthusiasm already shown that it will only be a matter of a few days that the streets will soon be taken care of as far as the sprinkler is concerned. This has been a long self want by the people of our city. Thanks to your good work, Mr. Danford.

J. L. Leonard, district traffic chief was in Richmond and Lewiston one day last week supervising the telephone service. He expressed himself as being well pleased with the services obtained in this district.

Mr. William Hendricks has returned home after spending several weeks on his farm at Blue Creek.

Mr. Anderson, brother of Principal C. H. Anderson, spent Sunday here.

The Sego Lily Club met at the home of Mrs. W. W. Brown last Thursday afternoon. A very dainty luncheon was served by the hostess. Sewing and social chat were enjoyed by the members of the club.

Mr. and Mrs. Roy Robinson and Mr. and Mrs. Aaron Robinson of Virginia, Idaho motored to Richmond on Monday and spent the week here visiting with relatives and friends.

Mrs. Alice Stoddard of Canada, spent a few days of last week in Richmond visiting with Mr. and Mrs. Joseph Stoddard and Mrs. Fannie Stoddard.

Mr. and Mrs. Winton of McGill, Nevada, are here visiting with relatives and friends.

Miss Josephine Wallace spent Sunday in Smithfield visiting with the High School students.

Mr. and Mrs. F. H. Whittle went to Paradise, Wednesday afternoon to attend the funeral services of Mrs. Whittle's brother who was killed in a mine.

Miss Rodelpha and Eliza Stoddard spent Saturday afternoon in Logan.

The dance on Friday night was well attended and most every one seemed to enjoy a good time.

The Richmond orchestra went to Lewiston Saturday evening to play with the Lewiston orchestra for continuous dancing. A large number of young people from here attended and report a very good time.

Mrs. Hazel Holmstead and Little son, of Lehi, have been in Richmond for a few days, guests of Miss Alice Merrill.

Mr. Thomas Thomson and family of Fairview, Idaho spent Sunday here, visiting with their parents, Mr. and Mrs. George Thomson.

Miss Mae Muir and Miss Meda Hill of Logan and Miss Vern Baer, of Providence, spent a few days of last week here, guests of Miss Mabel Hendricks and Miss Alice Merrill.

Mr. and Mrs. Joseph Johnson motored into Richmond, Saturday evening from their farm in Howell, Utah, to spend Sunday here with relatives and friends.

The Ladies Physical Culture Club

(Continued on Page Eight)

NOTICE

We will commence the cleaning of the canal of the Logan North Field Irrigation Co., known as the Twin Ditch, on Wednesday, May 10, 1916, by the Deseret Mills, at 8 o'clock a. m.

RICHARD YEATES, Secretary. Adv. 5-11
